

AZIMUTH ELECTRONICS, INC.

TERMS AND CONDITIONS

PRODUCT GUARANTEE

Azimuth Electronics guarantees the performance and functionality of our products. Azimuth acknowledges by knowing the buyer's intended use, we expressly warrant all goods which have been designed, manufactured, and assembled by Azimuth to be fit and sufficient for buyer's intended purpose.

STATEMENT OF POLICY

All technical specifications and data contained herein are believed to be reliable. However, the accuracy and completeness of such information is not guaranteed and is subject to change without notice. This page is published to impart application information and is for reference only. Azimuth Electronics, Inc. does not accept responsibility for its use. It is the responsibility of the user to determine the suitability of the products for intended use, and it is the user who assumes all risk and liability. Azimuth Electronics, Inc. as a manufacturer accepts only the obligation to replace that quantity of product proved to be defective and is not liable for any loss, damage, or injury, direct or consequential, stemming from the use or inability to use the product. We recommend that for technical assistance, contact Azimuth Electronics, Inc. before initiating board layout, especially regarding any questions on footprint patterns. Since IC packages and applications vary widely, the dimensions shown on this website are **for reference only**.
